### GENERAL RULES

We are looking for creativity and imagination from our exhibitors. The EPCFA hopes that each year we will be able to grow and add new and exciting things. We are always looking towards the future so if there are any suggestions on how to make the EPCFA Consumer Science Contest better please let us know.

1. No late entries will be allowed. No on site entries will be allowed.
2. Exhibitors must meet all general rules and requirement for participation in the El Paso County Fair as outlined in the Rules and Regulations

3. No adult entries will be accepted.
4. Exhibitors are not limited in their number of entries: however you are limited to one entry per class.
5. When registering through ShoWorks (online), exhibitors should identify a division, number of entries, and category. A brief description is required. If there is a problem the Superintendent will have final say.
6. Check-in – Entries may be checked in by parent, agent, manager and or teacher. Please see check-in times as they have changed this year. Exhibitors will declare Class at check-in. Superintendent may recommend moving an entry to a different category or class as appropriate. The Exhibitors name should not appear on any part of the entry. All entries should have an index card with the name of the Culinary, Décor, Fine Arts, Hobby, Textiles, recipe or list of materials used in the project.
7. Judges decision will be final.
